## **ARTICLE 15 - TIME OF COMPLETION AND LIQUIDATED DAMAGES**

All bidders must agree to commence work on or before the date specified in the Notice to Proceed and to fully complete the work within 60 calendar days. ## **ARTICLE 16 - ADDENDA AND INTERPRETATIONS**

No interpretation of the meaning of the Bid Specifications, or other pre-bid documents will be made to any bidder orally. Every request for such interpretation should be in writing, addressed to: Public Works Director, Town of Coventry, 1670 Flat River Road, Coventry, Rhode Island 02816. In order to be given consideration, such request must be made at least five (5) days prior to the date fixed for the opening of bids. Any and all interpretations and any supplemental instructions will be in the form of written Addenda to the Bid Specifications, which, if issued, will be mailed by certified mail with return receipt requested to all prospective bidders, not later than three days prior to the date fixed for the opening of bids. Failure of any bidder to receive any such addenda or interpretations shall not relieve the bidder from any obligation under his bid as submitted. All Addenda so issued shall be incorporated into the Contract.

## **ARTICLE 17 - UNCERTAINTY OF QUANTITIES**

The quantities listed in the bid (proposal) are approximate and are given only for use in comparing bids and to indicate approximately the total amount of the Contract; and the Town of Coventry does not expressly or by implication represent that the actual amounts of work will even approximately correspond therewith, but does call particular attention to the uncertainty of the quantities of the work involved which cannot be predicted in advance. The work under certain items may be materially greater or less than that given in the bid, as may be necessary in the judgment of the Town of Coventry to complete the work contemplated in the Contract.

Under the Contract, the Town of Coventry reserves the right to increase or decrease the approximate quantities for, or to omit entirely, any of the items as listed in the bid. Only such quantities of the respective items of work actually performed and accepted will be paid for. An increase or decrease in

the quantity for any item shall not be regarded as grounds for an increase or decrease in the unit bid prices.

## **ARTICLE 18 - ITEMS NOT LISTED IN THE BID**

Appurtenant items of work specified or required to complete the work but not listed separately under the list of items in the bid shall be included in the cost of payment under the various applicable bid items of work and no separate payment will be made for such items. It shall be the responsibility of the Contractor to verify any missing or incomplete items.

## **ARTICLE 19 - BALANCED BIDDING**

Minus bidding on any item or items of the Bid Specification is prohibited. Bids should be made on each separate item of work shown in the bid (proposal) with reasonable relation to the probable cost of doing the work included in each item, and the right is reserved to reject wholly any bid in case any item or items thereof are obviously unbalanced or appear to the Town of Coventry to be so unbalanced as to affect or to be liable to affect adversely any interests of the Town of Coventry. The attention of the bidder is called to the fact that unbalancing of bids may adversely affect the Contractor if certain portions of the work are increased or decreased as provided in the Contract.

## **ARTICLE 20 - PRICES**

Bidders shall state the proposed price for the work by which the bids will be compared. This price is to cover all expenses incidental to the completion of the work in full conformity with the Contract and Bid Specifications. The price or prices proposed shall be stated both in words and in figures, and any bid not so stated may be rejected.

In the event there is a discrepancy between the unit price and the extended totals, the unit price shall govern. In the event that there is a discrepancy between the unit prices written in figures and the unit prices written in words, the unit price written in words shall govern. No bid will be accepted which does not contain a unit or lump sum price for every item contained in the bid form.

## **ARTICLE 21 - NOTICE OF SPECIAL CONDITIONS**

Attention is particularly called to those parts of the Contract and Bid Specifications which deal with the following:

- a. Inspection and testing of materials
- b. Insurance requirements
- c. Wage rates
- d. Interpretation of Specifications
- e. Special requirements for work within the limits of privately-owned property and State Highways
- f. The use of explosives and protection

Representatives of the Town of Coventry shall have access to the work wherever it is in preparation or progress and the successful bidder shall provide proper facilities for such access and inspection.

## **ARTICLE 25 - JOB CONDITIONS**

The bidder is advised that free vehicular and pedestrian access must be maintained to the major Town streets. The method of construction must therefore be compatible with this requirement of free access.

## **ARTICLE 26 - PRECONSTRUCTION CONFERENCE**

The successful bidder shall be prepared to attend a preconstruction conference scheduled by the Town of Coventry after award of the Contract, but prior to the actual commencement of work at the site. The main item of discussion will be the successful bidder's construction schedule, proposed Superintendent, record list of streets, etc.

## **ARTICLE 27 - OWNER'S RIGHT TO DELETE PORTION OF CONTRACT**

There are external factors which may affect the scope of work for this contract. The Town of Coventry reserves the right to delete a portion of the Contract. The successful bidder shall have no claim for anticipated profits or for loss of profits or for increase in prices should the Town of Coventry exercise this right.
