From the Director's Desk

Every May, Coventry Resource and Senior Center remains in observance of Older Americans Month, a time to recognize older adults' contributions and reaffirm our commitment to supporting their health and independence.

MAY 2026

The 2026 theme, **Champion Your Health**, underscores prevention, wellness, and personal responsibility as cornerstones of healthy aging. It encourages taking an active role in managing and advocating for your health, accessing preventive care, and making informed decisions. This year, we are focused on evidence-based approaches, self-management, caregiver roles, and community partnerships that empower individuals to lead healthy lives.

We see Senior Centers as the nucleus for our community's elder population to get and stay healthy and connected. We offer all our services here at 50 Wood Street to increase health wellness and support keeping all of you independent to age in the community you choose.

In this case, Coventry is that choice and we fully support you in having a meaningful connection to your community. Whether that be in volunteering at our food bank, our community garden, Meals on Wheels or participating in our wellness classes of Fall Prevention, Bone Builders, Tai Chi for Balance, Shri Yoga, Art Classes. Or whether you are playing cards and socializing or getting the educational opportunities you need to stay vital.

I am proud to be the Director of such a great center where our knowledgeable and caring staff serve you and other members of our community every day.

We will be celebrating our volunteers in May at our Annual Volunteer Breakfast. Anyone who volunteers for the Coventry Resource and Senior Center are welcome to attend. Invitations are being sent out to all you great people and we hope to see you on May 15th 9:00am-10:30am.

Thank You for All You Do throughout our Coventry Community.

One more update on the Coventry Community Learning Center; we are getting closer to completion to bring educational, workforce development and health monitoring service to the entire community. We are working on the details to open this new space as a community resource, more to come next month!

Take Care, Bob Robillard Jr., LMHC Director

SCAMS / FRAUD

ROMANCE SCAMS - Adults of all ages are going online in hopes of finding love and companionship.

But there can be a downside ...

WARNING SIGNS

- *Your new romantic interest sends you a picture that looks more like a model from a fashion magazine
- *The person quickly wants to leave the dating website and communicate with you through email or instant messaging.
- *They lavish you with attention, texts, emails and phone calls
(www.aarp.org)
- *The scammer wants to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

*Scam artists often say they are in the building and construction industry and are engaged in projects outside the U.S. That makes it easier to avoid meeting in person—and more plausible when they ask for money for a medical emergency or unexpected legal fee.

*If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

(FBI.gov)

BEWARE the Faux Phone Call

The phone is still #1 in the hearts of scammers.

Use your voicemail or answering machine to screen incoming calls when you aren't absolutely certain who is calling.

You can't trust caller ID because scammers use technology to hide their identity.

(Taken Pg 12 AARP Fraud Watch Network)

CELEBRITY (IMPOSTER) SCAMS

Criminals pose as celebrities to nurture a relationship with their target before the “ask”.

In private messages the con profiles the target to determine the best approach. If a target is lonely, it's a romance scam; if altruistic, it's a charity scam.

The criminals invent excuses about why they (wealthy celebrities) supposedly can't access their funds.

Recent advances in artificial intelligence (AI) make these scams harder to identify, as they offer criminals the tools they need to mimic voices, alter photos and avoid the spelling and grammar mistakes that once were red flags for fraud.

Imposter scams were the #1 fraud complaint in 2023 with total losses of \$2.7 billion.

(above taken from www.aarp.org)

Prevention Tips

Don't carry your Social Security card in your wallet

Don't print your SSN or driver's license number on your checks.

Shred sensitive information.

Limit the number of credit cards you carry.

Keep copies of credit cards (front and back) in a safe place in case a card is lost or stolen.

‘TIS THE SEASON / COVENTRY

‘Tis the Season serves families in the town of Coventry. It was established in 1992 with its main focus to provide a joyful holiday season for all, especially children. ‘Tis the Season operates through the generosity of the community.

Some members of the community have small fundraisers. Others prefer to donate money directly.

The Fire Departments graciously conduct an annual “Boot Day” to support ‘Tis the Season. These funds are used to purchase needed food and clothing. Local schools, churches, clubs and organizations hold food drives.

Other families, businesses, schools and other local groups choose to “Adopt a Family” through ‘Tis the Season.

Call 822-9178 for more information, how to request assistance or how to donate.

MEDITATION What Meditation can do for your mind, mood and health...

In the short term, stress quickens your heart rate and breathing and increases your blood pressure. When you're constantly under stress, your adrenal glands overproduce the hormone cortisol. Overexposure to this hormone can affect the function of your brain, immune system, and other organs. Chronic stress can contribute to headaches, anxiety, depression and heart disease.

You can minimize its effects on your body. One of the easiest and most achievable stress-relieving techniques is meditation, a program in which you focus your attention inward to induce a state of deep relaxation.

The beauty and simplicity of meditation is that you don't need any equipment. All that's required is a quiet space and a few minutes each day.
(Above taken from www.health.harvard.edu)

*Meditation apps to guide you are available for your smart devices. Some are free. You can also try deep breathing, yoga or hobbies that help you relax and aim for 7-9 hours of quality sleep each night.
Stay hydrated & Don't forget to go for regular medical check-ups

PARENTS: To help keep your kids safe there are many parental control apps. Some are Life360; Aura; Bark; Net Nanny; Mobicip Safe Browser; Secure Teen. They can monitor their devices, different social platforms, set usage time limits, block content, track your child's location & more.

There are also Homework Apps such as myHomework, The Homework App and many others which can help your children organize assignments, schedules, tests, due dates and help parents monitor progress etc.

Research to find the best apps to help your children be successful and keep them safe !

HERE ARE SOME POPULAR SOCIAL MEDIA SITES & APPS that teens use...

Youtube Tik Tok Instagram SnapChat Facebook WhatsApp X (formerly Twitter) Ask.FM

*Parents can research these apps/sites and many others to understand all the potential risks

*Read the "help center" information for social media sites to understand the age recommendation, privacy policy, and the community.

*The sites teens use change with the site's popularity amongst their social group. What is popular today may not be in six months.

*Know what apps/sites your children use and engage in discussions on using responsibly

**Never post personal information*

**Some apps have led to bullying and harassment*

**Explain the "forever" implications of posts and photos. Colleges and employers do check social media profiles.*

***Parents should have their children's passcodes to their phone and all devices to monitor what sites they access and how they are using those sites.**

REMEMBER to always stay alert for scams, trolls, and other undesirable content.
