RE: Coventry Crossings

Dear Mr. McLean,

On behalf of Harkney Hill Road LLC I am hereby requesting a one year extension to the preliminary plan approval that was granted to the Coventry Crossings development. The preliminary plan approval was granted by the Coventry planning board on October 23rd, 2024, signed by the planning board chair on October 24th, 2024 and recorded on October 25th, 2024. Per state law a preliminary plan approval for a land development project is entitled to two, one year extensions. Included with this request is a copy of the recorded preliminary plan approval decision. If you have any questions or concerns, please feel free to contact me directly anytime at 401-413-2020.

Sincerely,

Jonathan Kent
